

New Hampshire ARP Child Care Stabilization Fact Sheet

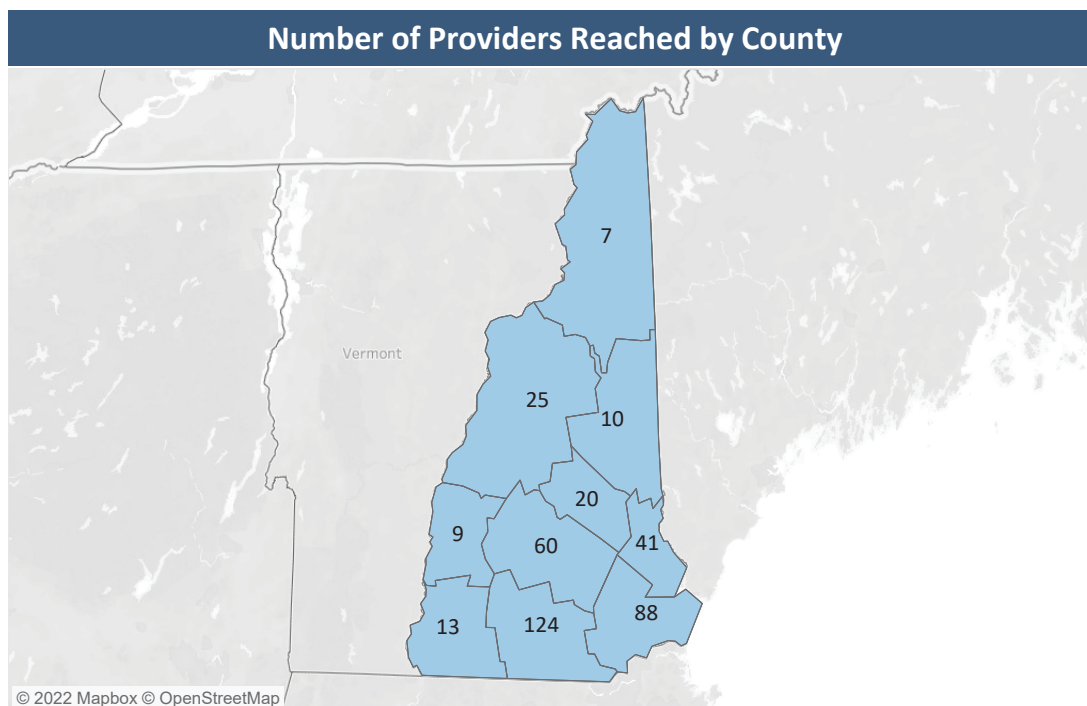

590 Child Care Programs in New Hampshire have already Received American Rescue Plan Stabilization Support, Impacting up to 43,100 Children

ARP's historic investment provided New Hampshire with \$47.7 million for their Child Care Stabilization program. The program has been critical to helping child care centers and family child care providers remain open or reopen, keeping child care workers on the payroll, and ensuring families have reliable options for high quality care while they work. Child care programs are mostly small businesses and are essential for families, communities, and the economy.

The ARP Child Care Stabilization program has been an unprecedented lifeline for the child care sector that helped parents return to work and spurred economic recovery. So far, more than 200,000 child care programs serving as many as 9.5 million children have received assistance across the country from this program.

In New Hampshire:

- Providers in 100% of New Hampshire counties have received funds.
- 535 child care centers that received stabilization payments most commonly used them to pay for personnel costs and keep programs staffed.
- 55 child care family homes that received stabilization payments most commonly used them to pay for personnel costs and keep programs staffed.
- On average, child care centers have received an award of \$81,400 and family homes received \$53,200. The final award sizes are expected to increase as payments continue through 2022.
